

Congratulations on your artwork being accepted into the Holiday Boutique 2024 Exhibition. After you have given yourself some well-deserved pats on the back it is very important that you familiarize yourself with rules for this exhibit that you read on the prospectus when you entered. You will be contacted by Shameka Harris the Program Support Coordinator, she will advise you how many pieces to bring on the delivery day, which is Tuesday November 14th, 11am – 4pm. You will be contacted by her as to when to replenish your art or merchandise on November 22nd and December 13th. Do not bring everything on the first drop off date since we have no storage for overflow. If you are a 2D artist with just a few pieces those can all be delivered on the first drop off date. Her email is programsupport@artcentervb.org and she will contact you. Do not call the gallery for information about the boutique as only Shameka and myself work on the exhibition side of the gallery and have the answers you seek. Still unclear contact me at exhibitions@artcentervb.org for further information. You will notice that some of the descriptions are cutoff in this document, no worries we have the original that we keep that we will work from. When you drop off your pieces we will hand you POS sticker that you will add to your art or merchandise before taking it to the designated area.

GENERAL RULES

- There is a jury process; not all pieces may be accepted.
- VB-AC is a community gallery. All artworks should be suitable for viewers of all ages.
- Artworks, mats and frames must be in good and clean condition.
- Works must be identified with a label- title, medium, price, artist name and phone number.
- Presentation must be professional and not detract from the artwork.
- Gallery wrapped canvases that are 1" or wider must be painted on the sides with either the painting wrapping around or with a complimentary color. No visible staples on the sides of the canvas.
- **NEW!** Paintings on 3/4" canvas or smaller **MUST HAVE A FRAME.**
- **WIRE INSTRUCTIONS:** All two-dimensional works must have a tight hanging wire, near the top 1/3 to 1/4" of the top of the frame. Wire must be attached to the frame and not the backing/canvas. **NO SAWTOOTH HANGERS! -NO EXCEPTIONS-**
- **Merchandise for the Holiday Market Boutique needs to be well presented and 3D items need to be able to stand on shelving and cubes. Holiday cards should be tied if all one kind or wrapped individually if you are presenting different styles. We welcome all kinds of pottery jewelry, or other items that will be a great gift giving idea. Merchandise does not have to have a Holiday theme but be new and innovative. Ornaments must come ready to hang, no personal items such as ornament trees, boxes or risers are accepted. The**

gallery has its own fixturing. Please no business cards or statements, we call out the artist's name and product information with our own tags. PRICE ACCORDINGLY, customers are looking to stretch their wallets and buy several items that are unique.

- Artist will be notified of a sale so they can replenish their items.
- Works requiring special installation must be cleared in advance by contacting **Exhibition Coordinator Jorge A. Saenz - Email: exhibitions@artcentervb.org**
