

Hello Artists,

Congratulations, you have been accepted into the Aware '25 "Creativity A Healing Power" Exhibition.

Guidelines:

- All artworks should be wired correctly according to the guidelines mentioned in the art call.
- No eye hooks or sawtooth hangers, your artwork will not be accepted for the exhibition. Invest in d-rings available at any hardware store or at Jerry's Artarama. **If you are a photographer that prints their works on metal the hanging system provided with your work is accepted.**
- **All artwork created on a 3/4" or smaller edge must have a frame, do not wait until the last minute, special sizes may need to be ordered so you have them on time. Ignoring this will keep your art from being in the exhibition. Only exception is for photographers that use thin metal as their presentation.**
- Artwork painted on 1" or larger edge must have the painting wrap around or edges painted in a complimentary color. Judges look at presentation as one of their criteria.
- Clean up your frames and mats, now is the time to look and make sure everything is crisp and in good condition.
- **If you are stretching your own canvas, ensure all edges are crisp, glued down and free of staples. Get all those lumps out of the way before dropping off your work.**
- **Early delivery will be accepted on the following day. Saturday September 27, 10:30am – 3pm ONLY. We will only accept artworks that are smaller than 30" x 30" in any direction. All other work will need to be dropped off on Tuesday. We do not have the space to accommodate works larger than the size specified above so plan accordingly. Do not call the gallery to ask about drop off, you may email me at exhibitions@artcentervb.org.**
- **Drop off is Tuesday September 30, 10:30am – 4:45pm. Be courteous to our volunteers, don't wait until the last minute to address issues concerning your artwork. They will check everything upon arrival and if something needs to be addressed, they will advise you and help you out. They are following all the directions explained on the art call.**
- Direct all questions to me at exhibitions@artcentervb.org. The sooner I know something the better equipped we are at ensuring your work is meeting all the standards outlined in the art call.
