

ACCEPTED ARTWORKS FOR TOWNE PAVILLION 1 EXHIBITION

Dear Artists,

Thank you for submitting to the Towne Pavilion 1 exhibition, we received 97 entries for the show of which several were chosen for each themed floor. Many of you submitted to just one theme and due to space restrictions, we could not show every single piece and 2 or one were chosen. For those that did submit for several themes we accommodated the best we could but also had to make choices on size of the art and overall presentation of each individual theme.

This exhibit will be fluid, meaning that if one of your works sells, we will replace the work with one of the pieces that was not in the show or another that will need to be submitted for approval should your art sell.

Sales will be handled through the Virginia Beach Art Center, and you will be contacted via the center to go to Pavilion 1 and meet the buyer and exhibition coordinator once the sale has gone through. It will be during that process that I will contact you and talk about the replacement piece. To be clear it will need to be in the same approximate size and relate to the theme from where the piece is being removed. You will submit photos to me via my email at: exhibitions@artcentervb.org for the new artwork to be considered for replacement. To clarify it is the Virginia Beach Art Center that is mounting this exhibition so refer all your question to me at exhibitions@artcentervb.org or Margaret Foltz at executivedirector@artcentervb.org for any concerns.

Here are several dates you need to be aware of so take note and add them to your calendar.

- The drop off date is Tuesday January 16th, 11am – 3pm. Do not drop off at the gallery, you must bring your artworks to Towne Pavilion 1 Building, 2101 Parks Avenue, Virginia Beach VA 23451. This is the building closest to the MOCA when you are getting on the freeway to go to Norfolk. I will be in the lobby accepting the artwork. Ensure it is ready to hang. (We do not transport art from the gallery to this site, you must bring it to the above address.)
- The show will be open to the public on Thursday January 18th and a reception will be announced in the next several weeks. Look out for an email from the center for that date.
- The last day of the exhibit is Monday May 13th, and you will pick up your art on Tuesday May 14th between the hours of 11am – 3pm. We do not store art so if you cannot pick up yourself plan with a friend that can retrieve your work.

Thank you for participating in this exhibit, I wish you lots of sales during the next several months.
