

My Epic Christmas
By: Karon M.
Virginia Beach Middle School

My epic Christmas was a delight.
Looking under the Christmas tree was quite a sight.
Thank you, Mom, for this glorious day.
When I get older, I can repay!

The time spent with my family was super fun!
All of those memories can't be undone.
We talked about memories that made us smile.
We had been sitting around for a while.

My Grandma makes the best food!
We all burped, but we were not rude!
Seafood macaroni and crunchy green things, too.
With all of this adventure, I say happy 2022!
